This Grey-Bruce Counties Information Directory is a supplement to the **Handbook for Counsellors of Newcomers** and can be used separately or in conjunction with the Handbook. It was prepared in cooperation with the Owen Sound Information Centre.

Because we are in the process of changing the Handbook from one integrated publication (main section plus local supplement) to two separate, complementary books, there are dual page numbers in this local directory. The bracketed numbers in the lower corner correspond with the following missing pages of the Handbook: 29, 40, 51, 70, 83, 98, 105, 110, 117, 122, 133, 136, 139. (eg. pages 29, 29a, 29b, etc., all pertain to the

Employment section of the Handbook; pages 40, 40a, 40b, etc., all pertain to the Health section of the Handbook, etc.) References are made in the main section of the Handbook to these pages for the local addresses of services or organizations mentioned in the Handbook. The numbers centred at the bottom of the pages in this local directory are the standard consecutive page numbers.

It is hoped that this format for your local supplement will prove to be a convenient reference for addresses and local information, with the Handbook available for more detailed information.

Your comments and suggestions on how this directory could be improved would be appreciated.

Dianne Atkins, Editor.

## **Public Health Departments**

### **Nursing Division**

The aims are to prevent disease, promote and maintain healthful living practices and to aid the rehabilitation of individuals who have become physically or emotionally disabled. The health unit works closely with other agencies. The school health program provides immunization, eye examinations, and checks for illnesses in school children. Through home visitation, counselling is given in prenatal, infant and child care, family planning and diet. The division works in liaison with MacKinnon Phillips Hospital and provides aftercare.

### **Dental Division**

The Dental Division emphasizes preventative measures and provides examinations, applications of anti-decay agents and educational sessions with adult groups.

### **Environmental Hygiene Division**

This division provides for the pollution control of sewage, water quality control, inspectors of food preparation and premises, housing adequacy and general sanitation.

\*Veterinarians are called if a case of rabies is suspected.

## GAINS

The Ontario Guaranteed Income System  
(G.A.I.N.S.) administered by the Ministry of  
Revenue, ensures an annual for qualifying  
Ontario residents who are 65 years of age or  
over.

The Ontario Gains cheque represents the  
difference between any income you have, in-

cluding the amount of your federal old age security and guaranteed income supplement and the amount Ontario believes you should have as a minimum each month.
